

CC5-B Collapsible Cones w/Bag

FACT SHEET

5 Cones with
Storage Bag

CC5-B meets NFPA Standard 1901 which requires:

"Five fluorescent orange traffic cones not less than 28 inches in height, each equipped with a 6 inch retroreflective white band no more than 4 inches from the top of the cone, and an additional 4 inch white band 2 inches below the 6 inch band."

Features:

- Cones have a rugged black rubber base, 8 lb. weight.
- Cones feature a water-resistant solid nylon material in hi-viz orange for added visibility.
- 6" upper and 4" lower cone collars are made of Reflexite prismatic sealed surface retroreflective material.
- Storage bag with zipper top and convenient carry straps holds 5 collapsible cones.
- Storage size (5 cones in bag): 15" x 15" x 11"

Notes:

Set-up: Place the cone on the ground and pull up on the center until the cone is fully extended.

Take-down: Reverse the procedure above.

Improper set-up (for example, holding the center of the cone and letting the base drop) may cause damage.
