

# T-Shirts

FACT SHEET

## High Visibility, ANSI Class 2 & 3

T-shirts are made from comfortable wicking polyester material and are available in both orange and lime colors. T-shirts with reflective stripes meet ANSI/ISEA 107-2020 Class 2 and/or Class 3 specifications.

All shirts have a front left breast pocket and most styles are available with long or short sleeves in Medium - 5XL. **TS29** and **TS39** are also available in Small. Due to ANSI background material square inch requirements, Small Class 2 & 3 T-shirts are not available. Medium Class 2 & 3 T-shirts are longer than non-reflective models in order to provide the required amount of background material.

ANSI Class 2 shirts have reflective stripes on the body.

ANSI Class 3 shirts have reflective stripes on the body and sleeves.
